G.B. 315
A Bill to Change the Name of the Graduate Student Government Travel Grant Program

Whereas the Clemson University Graduate Student Senate wishes to ensure that the travel grant program, currently called the Professional Enrichment Grant Application System (PEGAS), has a clear purpose and is well known by as many graduate students as possible;

Whereas the Clemson University Graduate Student Senate recognizes that the name of the travel grant program must be simplified to better achieve this goal.

Therefore, be it enacted by the Clemson University Graduate Student Senate assembled,

That the Professional Enrichment Grant Application System (PEGAS) will, beginning in August of 2018, be referred to as the Graduate Travel Grant (GTG)

That the Rules of Order of the Clemson University Graduate Student Senate be amended as follows:

Section 3.2.1.4 be amended to read:

“Graduate Travel Grant Committee (“GTG Committee”). The mandate of the GTG Committee is to award Graduate Travel Grants to Clemson University Graduate Students.”

That in Appendix D, “Professional Enrichment Grant Application System” and “Professional Enrichment Grant” be replaced with “Graduate Travel Grant;”

That in Appendix D, the initialisms “PEG” and “PEGAS” be replaced with “GTG.”

That these changes will take effect beginning in the 2018-19 funding year.
Courtney Allen, Graduate Student Body President

Aury Kangelos, President of the Senate

Almeda Jacks, VP of Student Affairs
