G.B. 309
A Bill to Restructure PEGAS Funding Allocation

Whereas the Clemson University Graduate Student Senate wishes to ensure that the travel grant program, currently called the Professional Enrichment Grant Application System (PEGAS), has not acknowledged the new restructured college systems;

Therefore, be it enacted by the Clemson University Graduate Student Senate assembled,

That the Rules of Order of the Clemson University Graduate Student Senate be amended as follows:

That section 16.9.3 be amended to read:

- "The award funds for each period be allocated in the following manner:
  - 16.9.3.1 Ten (10) percent shall be reserved for qualifying applicants in each College.
  - 16.9.3.2 Thirty (30) percent plus unused funds from the reserved portions above shall be placed in a general fund, which may be used for qualifying applicants from any college, school, or program."
