G.B. 322
A Bill to Change Attendance Policy for Senators

Whereas the Rules of Order of the Clemson University Graduate Student Body state in Article 2, Section 2.2:

2.2.1 The President of the Senate shall suspend a Senator under the following conditions:
   2.2.1.1 The Senator accumulates three (3) unexcused absences in a single academic semester.
   2.2.1.2 The Senator accumulates a combination of four (4) excused and unexcused absences in a single academic semester.

Whereas the Graduate Student Government meets approximately seven times per semester, the current rules permit Senators to miss approximately half of the required meetings.

Therefore, be it enacted by the Clemson University Graduate Student Senate assembled,

That the attendance policy be changed in the Rules of Order of the Clemson University Graduate Student Body to read as:

2.2.1 The President of the Senate shall suspend a Senator under the following conditions:
   2.2.1.1 The Senator accumulates two (2) unexcused absences in a single academic semester.
   2.2.1.2 The Senator accumulates a combination of three (3) excused and unexcused absences in a single academic semester.
