G.B. 332
A Bill to Amend the Budget

Whereas, the FY2018 Budget line items have surplus and other line items have deficits;

Whereas, the surplus funds can be reallocated to contribute to the fulfillment of the mission of the Graduate Student Government,

Whereas, funds must be allocated for compensation of a graduate student for the rebuild of the Professional Enrichment Grant Application System to meet the recommendations set forth in the document titled “Professional Enrichment Grant Application System Final Audit Report” by the Office of Internal Auditing;

Whereas, Rules and Procedures is a standing committee of the Graduate Student Senate and the Chair of the Committee has earned remuneration commensurate with fulfillment of the position;

Therefore, be it enacted by the Clemson University Graduate Student Senate assembled,

That the Budget be amended to reallocate funds in the specified amounts:

- $5,000 from funds allocated for “Activities Committee” to “Finance Committee” for the funding of recognized graduate student organizations. The Finance Committee shall have the discretion to spend these funds;
- $2,000 from funds allocated for “Activities Committee” to “PEGS” for the compensation of a graduate student for the rebuild of the Professional Enrichment Grant Application System. The Professional Enrichment Grant Committee shall have the discretion to allocate these funds;
- $500 from funds allocated in honorarium for the Vice President of Greenville Council to “PEGS” for the compensation of a graduate student for the rebuild of the Professional Enrichment Grant Application System. The Professional Enrichment Grant Committee shall have the discretion to allocate these funds;
- $400 from funds allocated for “Activities Committee” to honorarium for the Rules and Procedures Chair.
