G.R. 71
A Resolution to Establish a Sustainability Task Force

Whereas, the University should evaluate its degree of sustainability publicly, using the same metrics as other universities; and

Whereas, Section 3.3 of the Graduate Student Senate Rules of Order allows for the creation of special committees.

Therefore, be it resolved by the Clemson University Graduate Student Senate assembled,

That, the Sustainability Task Force will evaluate the University’s sustainability using the Association for the Advancement of Sustainability in Higher Education (AASHE) Sustainability Tracking, Assessment, and Rating system (STARS) to allow for comparison with peer institutions,

That, the task force chair will be appointed by members of the committee,

That, the task force will be comprised of 4-8 members of the graduate student body appointed by the committee chair,

That, the task force will be terminated upon completion of the STARS assessment, as approved by the Senate.
